## HOLCOMBE BEDROOMS PROUD TO BE MADE IN BRITAIN

Holcombe Bedroom Furniture is manufactured in a modern production facility within the Rossendale Valley, in the heartland of East Lancashire.

Established in 1868, we have evolved from a local joinery manufacturer into one of the UK's leading manufacturers of Bedroom furniture.

The finishes and components included have been meticulously selected to ensure longevity of appeal and function. Soft close hinges and drawers as standard, for that touch of luxury.

An extensive range of accessories and internal fitments allows for the creation of bespoke personalised tailored requirements.

British Made Since 1868

### 10-Year Guarantee

We are very confident within the quality of the bedrooms we manufacture.

In the unlikely event that any of the units prove defective as a result of faulty design, materials or manufacturing processes, during a period of ten years from date of purchase.

We will replace or repair at our discretion, providing proof of purchase has been retained by the original purchaser.

The guarantee applies to units & doors only and excludes colour fade, due to mellowing & sunlight.

Any claims must be made as soon as the fault becomes apparent by the original purchaser, through the retailer whom the product was purchased.

Guarantee covers domestic installation only.

## OUR ENVIRONMENTAL AND CONSUMER CREDENTIALS

We consider ourselves to be an ethical based manufacturer whose principles are founded on the reduction of our carbon footprint, a responsible approach to both quality and the satisfaction of our clients.

In meeting the former, we achieved national recognition via the Green Apple Award, further reinforced by obtaining the ISO 9001, ISO 14001, ISO 50001, & ISO 45001 standards.
